Title: New CFR Service Engineer

Bulletin No. 04-01

Date: April 2, 2004

The purpose of this CFR News Bulletin is to announce that Waukesha Engine has added Jared Wentz, a Service Engineer, to its staff to better accommodate CFR customers' service needs. Jared has been an employee with Waukesha Engine, Dresser, Inc., for four years, the past three years in the engineering lab. Jared has been a member of the CFR team since June 2003.

Jared brings with him an extensive background in electronics and applied science. His strong mechanical ability also makes him an asset to the CFR team. Jared has been performing CFR service work the past 10 months, many times accompanying Dan Bemis, CFR Service Supervisor.

Jared is available for your technical questions, equipment service, service-related issues, and service quotes. He can be reached at Waukesha Engine at (262) 549-2914 or by email at jared.wentz@waukeshaengine.dresser.com.

Please welcome Jared to the CFR team.
